ASSURANCES FROM PEKING

Government Will Be Able This Time to Prevent Serious Trouble.

BROOKLYN, New York, June 6 .-Prince Tsai T'ao, uncle of the emperor of China, who is here as a visitor, has received from Peking cable confirmation of the press reports of the imminent danger of a violent antiforeign outbreak

His cable from the Chinese capital says, however, that the fears are exaggerated and that the government will trol any outbreak that may occur.

The prince is navised that the imperial government is thoroughly warned of the threatened outbreak which has so stirred the foreign legations in Peking, and that the Chinese foreign office has notified the governments that it expects to be able to prevent a repe-Mr. Roosevelt's name on public occa- tition of the Boxer outrages.
